Initial Consultation outside of Medicare eligibility period	\$139.54	\$100.15	\$67.00
Visual Fields Test	\$128.30	\$97.20	\$34.00
Corneal Foreign Body Removal	\$135.07	\$120.55	\$49.00
Digital Imaging Comprehensive		\$59 / \$48 conc.	\$59 / \$48 conc.
Digital Imaging (Retina or Anterior)		\$46 / \$40 conc.	\$46 / \$40 conc.
OCT or Widefield imaging		\$89 / \$79 conc.	\$89 / \$79 conc.

Your optometrist will discuss the need for any additional tests and procedures that you may require. Additional fees apply for contact lens consultations and fittings where there is no Medicare rebate. Some private health funds offer policy holders rebates towards imaging and extra tests, for more information please see your health fund.

Fee Explanation

* **Optometry Australia** is the national association for optometrists. The fees in this column are the fees that Optometry Australia recommend we charge for our services.

+ **Our Fee** is the fee Total Eyecare is choosing to charge for our services in order to keep our world-class optometry affordable for Tasmanians. This fee is payable in full at the time of your consultation.

[^] **Your Gap Payment** is the out-of-pocket expense after your rebate from Medicare.
